HEADBOARDS

THE KOKOSHNIK

Our Kokoshnik headboard takes inspiration from Volga's Russian heritage, playing on the traditional Kokoshnik headdress in a contemporary shape.

Approx height from mattress top: 55cm to 80cm relative to bed size.

THE HUGUENOT

Our Huguenot Headboard nods to iconic building facades designed by Huguenot architects in the Cape and East London.

Approx height from mattress top: 100cm to 125cm relative to bed size.

We upholster our headboards in England within a 6-8 week delivery time.

Both shapes are available in your choice of our plain weave or print linens with a corresponding cord piping.

We also offer a classic valance to match your headboard.
